Information at the speed of light...
...or at least the speed of an Internet connection.

InfoStar Win Server 2003

Visit us at our Information/Help Desk booth near the Education Program desk at SC2005.

Wired or wireless, attendees at SC2005 can receive conference information when and where they need it.

Find the latest information about conference updates, program changes or exhibitor demonstrations.

Bring your wireless devices (PDAs, tablets or laptops) and discover the world of SC at your fingertips.
